Winter Weather Cancellation Policy

Only you can judge whether you are safe to travel.

If you think you will not feel safe or able to drive due to snow or other weather conditions we recommend you make that decision 24 hours in advance and call to cancel your scheduled appointment. Otherwise you take the chance you may be stopped by weather and will incur a cancellation fee.

Appointments made for you are considered a contract. Without 24 hours prior notice you will be billed for cancellations.

If the office is closed, your therapist will make every effort to contact you as soon as possible.
